Leverstock Green Village Association (LGVA)

Open group

LGVA is a registered charity (No. 266940) which exists to represent the views of local people, and to maintain and run the Leverstock Green Village Hall. It concerns itself with the needs of the neighbourhood and all issues affecting the area. Additionally, it presents the Community's view to the outside world.

All residents living in our area of benefit are automatically members, and membership is free. Our area of benefit is larger than the current ward of Leverstock Green and includes the Buckfield area and other areas "near" the dual carriageway, as well as the part of Westwick Lane within St. Alban's jurisdiction. The Association is run by a committee of local people elected at the Annual General Meeting and nominated representatives of Leverstock Green based organisations. Anyone over eighteen who lives in Leverstock Green is eligible for election. All work for the Association is voluntary and the only qualification for potential committee members is enthusiasm.

The committee meets once a month to discuss matters affecting the village and there are special sub-committees taking after such diverse matters as the Environment, and the running of the annual Village Fete.
